Additional Business:

-Mary and Nora attended the Health Fair at St. Elizabeth Seton in February. They found it to be beneficial and an enjoyable experience. A suggestion was made to post a tear-off poster in the bathroom during the next Health Fair, so people won't feel embarrassed to tear off the information in front of others.

-Revising folders: Sara motioned that everyone brings their folders to next month's meeting. Bre will bring a prototype to be reviewed and voted on. Bre is also ordering 10-15 new folders.

-Laura handed out new Twelve and Twelve books. Bred made a list of who they went to. Three more cases of books will be ordered. Groups can order extras to have available for newcomers to purchase at their meetings.

-We have been volunteered to assist with the Regional Convention in Chicago; awaiting more info.
